- 5.1 Membership**
5.1.1 New members M Barrell and D Reid were accepted.
5.1.2 There are still approx 20 members who have not paid their subscriptions.
5.1.3 Joachim Sturmberg and Jitendra Parikh have both been nominated as reps for NSW.
Action: Debbie to send an email to NSW members only for their vote of preference. Winner will be announced at AGM. Debbie
- 5.2 Finances**
Reimbursement cheque has been received for the dinner in Sydney. Only one person ended up not paying so this is an excellent result.
- 5.3 Newsletter**
November edition is underway. An article will be written about Charles Bridges-Webb highlighting his teaching and research achievements, along with the introduction of the medal named in his honour.
Action: Debbie to email Michael Kidd as it was agreed he is well informed with regard to Charles. Debbie
- 5.4 Website**
Debbie stated she had recently updated the website which included a link to a page for all HODs.
- 5.5 Bridges-Webb Medal**
Charles is very honoured to have this medal named after him. The first medal will not be ready to be awarded at the AGM in Sydney. It was agreed we would aim to make the first award in Hobart at the PHCRIS in June 2007. A selection criteria has been compiled by Mark and Deb A.
- 5.6 Working Groups**
5.6.1 Medical student placements
The concept of community clinical schools is gaining universal support as confirmed during the GPET summit in Melbourne this year.
Action: Mark to continue promoting the concept on behalf of A3GP via communication with the Minister Tony Abbott. Mark
- 5.7 Travelling Fellowship 2007**
Deb Askew has been awarded the Travelling Fellowship for 2007 to an amount of \$1000.
Action: Mark to email Deb A with congratulations and details of her award. Mark

5.8 RACGP Convention

5.8.1 Research Session

This will be chaired by Eric Fisher. Peter Mudge and Dick Jeeves will be speaking. There will be 10mins reminiscing on past research practices by Charles Bridges-Webb and then an interactive session will follow. A survey will then be handed out. Charles will then talk about research and his life while the survey is analysed. A discussion will follow around the results of the survey.

During this session, the NSCR booklet will be handed out. This booklet covers what the college is doing about research.

6 Other Business
