

**Australasian Association for Academic Primary Care 2020 Annual Research Conference**  
**FRIDAY 14 August 2020 - SATURDAY 15 August 2020**

As at 13 August 2020

**THURSDAY 13 August 2020, 6:30pm**

**Welcome event**

How to get the most out of the Conference - the App, the Twitter, the event!  
 (Hosted by Liz Sturgiss and Lauren Ball)

**Friday, 14 August 2020**

	Room 1	Room 2	Room 3	Room 4
<b>08:00</b>	<b>Small group discussion</b>	Women's health - Contraceptive care in primary care (Hosted by Ching Kay Li)		
<b>08:00</b>	<b>Small group discussion</b>	Sustainability in primary care (Hosted by Alex Pavli)		
<b>08:30</b>				
<b>09:00</b>	<b>Plenary 1: Keynote Speakers</b>			
	<i>Chair: Phyllis Lau</i>			
<b>09:00</b>	Welcome (AAAPC President)			
<b>09:10</b>	Bridging the research - policy - practice gap to achieve multidisciplinary primary care <b>Liz Halcomb</b>			
<b>09:50</b>	Better development, research and uptake of non-drug interventions <b>Paul Glasziou</b>			
<b>10:30</b>	<b>Morning tea</b>	<b>Morning tea</b>	<b>Morning tea</b>	<b>Morning tea</b>
<b>11:00</b>	<b>Papers 1: Education and Training</b>	<b>Papers 2: Women's Health</b>	<b>Papers 3: The Patient Experience</b>	<b>Papers 4: Digital Tools and Technologies</b>
	<i>Chair: Tim Stokes</i> <i>Co-Chair: Rebekah Hoffman</i>	<i>Chair: Katharine Wallis</i> <i>Co-Chair: Natalie Amos</i>	<i>Chair: Katrina Long</i> <i>Co-Chair: Marguerite Tracy</i>	<i>Chair: Jo-Anne Manski-Nankervis</i> <i>Co-Chair: Jenny Job</i>
<b>11:00</b>	Teaching Indigenous Health: Racism, white privilege and cultural self-reflexivity <b>Alyssa Vass</b>	Scoping review of pharmacy-based initiatives for preventing unintended pregnancy <b>Philippa Buckingham</b>	The impact of chronic illness and smoking status on anticipated stigma and experience of care among smokers and ex-smokers in general practice <b>Sanduni Madawala</b>	Implementation of Healthy Living after Cancer+Tx: A text message-delivered extended contact intervention for cancer survivors <b>Jenny Job</b>
<b>11:10</b>	Impact of clinical placement sites on general practice as a career preference for Australian medical students <b>Angeline Kavitha Sathiakumar, Alexandra Yeoh</b>	Contraceptive utilisation in women with a history of unintended pregnancies: Insights from the Australian Contraceptive CHOice pRoject (ACCORD) <b>Asvini Subasinghe</b>	Sometimes hard to hear: Patients with severe and persistent mental illness talk about general practice <b>Nancy Sturman</b>	Can we provide a feasible and acceptable online mental health and lifestyle screening tool for community-based veterans? <b>Felicity Goodyear-Smith</b>
<b>11:20</b>	What is in a visit? Establishing the content and perceived utility of clinical teaching visits (CTVs) in different settings within Australian GP training <b>Ben Mundy</b>	The rise of Gestational Diabetes and consequences of overdiagnosis <b>Clare Heal</b>	The experience of care coordination for people living with multimorbidity at risk of hospitalisation: An interpretative phenomenological analysis <b>Annette Peart</b>	Future Health Today: Exploring barriers and facilitators to implementation of a new technology platform for quality improvement in general practice <b>Hsin Tien</b>

11:30	Who pays for lunch? GP-registrars' interactions with pharmaceutical sales representatives <b>Mieke Van Driel</b>	Should we advise women with diabetes to express colostrum in pregnancy? <b>Clare Heal</b>	Patient-centred care provided by general practitioners: Experiences and perceptions of patients and providers <b>Bryce Brickley</b>	Feasibility of objectively identifying older patients in the last year of life from routine general practice databases: GP views and possible role for nurses <b>Mark Morgan</b>
11:40	Educating and Training Panel Discussion	Women's Health Panel Discussion	The Patient Experience Panel Discussion	Digital Tools and Technologies Panel Discussion
12:00	<b>Lunch</b>	<b>Lunch</b>	<b>Lunch</b>	<b>Lunch</b>
12:00	<b>FACES Meeting</b>			
13:00	<b>Plenary 2: Covid-19</b>			
	<i>Chairs: Michael Kidd, Lauren Ball</i>			
13:00	Introduction - Prof Michael Kidd AM			
13:05	A coalition advocating for women's sexual and reproductive health during the pandemic and beyond <b>Danielle Mazza</b>			
13:10	Primary health care nurses' experiences of working during a COVID-19 pandemic <b>Susan Mcinnes</b>			
13:15	Findings of a time series of Quick COVID-19 surveys assessing the experiences of general practices from the COVID-19 pandemic <b>Felicity Goodyear-Smith</b>			
13:20	GP undergraduate teaching Western Sydney style in the time of COVID-19 <b>Jennifer Reath</b>			
13:25	New models of care in a post-COVID19 GP world <b>Karyn Alexander</b>			
13:30	Discussion			
14:15	<b>Afternoon tea</b>	<b>Afternoon tea</b>	<b>Afternoon tea</b>	<b>Afternoon tea</b>
14:45	<b>Posters 1: Health and Wellbeing</b>	<b>Posters 2: Communicating in PHC and Cross-Cultural Care</b>		
	<i>Chair: Liz Sturgiss Co-Chair: Vera Costa</i>	<i>Chair: Lauren Ball Co-Chair: Anna Fragkoudi</i>		
14:45	Introduction	Introduction		
14:47	Experiences of supporting fellow doctors in crisis <b>Claire Hutton</b>	Clinical approaches to whole person assessment: A systematic review <b>Hayley Thomas</b>		
14:49	Barriers and facilitators of adoption and implementation of a stepped mental health care service in general practice <b>Becca Hardy</b>	Development of a general practitioner and patient informed model of patient-centred care <b>Bryce Brickley</b>		

14:51	Identifying factors associated with thoughts of self-harm or suicide in Aboriginal and Torres Strait Islander people presenting to urban primary care <b>Neha Pandeya</b>	General Practitioner and Practice Nurse experiences in providing preventive care for overweight and obese patients in lower socioeconomic areas <b>Katrina Paine</b>
14:53	Smoking, men and mental illness - Exploring social determinants of health in a regional setting <b>Heidi Woolford</b>	Impact of the frequency of advice to quit smoking and experience of care in general practice <b>Chris Barton</b>
14:55	Young-onset Type 2 Diabetes: Management and clinical outcomes in Norwegian general practice <b>Katrina Tibballs</b>	A qualitative study of clinicians and patients exploring how alcohol brief interventions can be better embedded in routine general practice <b>Nilakshi Gunatillaka</b>
14:57	iDENTify: The early identification of prediabetes and type 2 diabetes in the private dental setting - Preliminary results <b>Andre Priede</b>	A qualitative study on women's experience of postpartum contraception <b>Ching Kay Li</b>
14:59	Parents' perceptions of their child's weight among kindergarten children <b>Kathleen O'Brien</b>	"You See, I See": Understanding cross-cultural informed consent <b>Anna Power</b>
15:01	The lived experience of adults with obesity in West Malaysia: An interpretative phenomenological analysis <b>Nor Akma Yunus</b>	Understanding the facilitators of research into sexual and reproductive health issues in migrant and refugee men in Sydney, Australia - A qualitative study <b>Shakif Shakur</b>
15:03	Influenza vaccination as secondary prevention for cardiovascular disease <b>Tim Tse</b>	EXTEND-PREFER: Co-design of an online intervention to increase uptake of long acting reversible contraception (LARC) for women from culturally and linguistically diverse (CALD) backgrounds <b>Rose Liu</b>
15:05	Prevalence of medical contraindications to the use of preventive aspirin in 50-70 year olds in Australian primary care <b>Rowena Ivers</b>	Understanding refugees' perspectives on priority health needs following resettlement: What did we learn from a New Zealand survey? <b>Lauralie Richard</b>
15:07	Comparison of topical antibiotics with topical antiseptics and inert ointment for the treatment of impetigo - Protocol for a pilot randomised double blinded controlled trial for the topical treatment of impetigo in Australian general practice <b>Hilary Gorges</b>	A protocol for exploring the health-seeking behaviours of women of a refugee background living with chronic pain <b>Areni Altun</b>
15:09		
15:11	Poster Walk	Poster Walk

15:45	<b>Break</b>	<b>Break</b>		
16:00	<b>Papers 5: Access</b> <i>Chair: Ben Harris-Roxas</i> <i>Co-Chair: Greg Merlo</i>	<b>Papers 6: Health Promotion</b> <i>Chair: Nick Zwar</i> <i>Co-Chair: Sharon James</i>	<b>Papers 7: Patient Voices</b> <i>Chair: Annette Peart</i> <i>Co-Chair: Barbara Hunter</i>	<b>Workshop 1: A model for effective and sustainable Clinical Trials Networks</b>
16:00	"Lucky to be here in Australia": Understanding the challenges and opportunities for general practice to deliver compassionate and effective care to men experiencing homelessness <b>Nancy Sturman</b>	Men's health promotion in waiting rooms: An observational study <b>Michael Whitehead</b>	The digital health divide: How do patients with chronic disease and socioeconomic disadvantage experience and access digital health? <b>Melinda Choy</b>	A model for effective and sustainable Clinical Trials Networks: A facilitated workshop for primary health care clinical researchers <b>Christopher Reid, Steve Webb, Mark Nelson, Richard McManus, Lena Sanci, Kirsty Douglas, Phyllis Lau</b>
16:10	Street Doctor: Improving access to healthcare for people experiencing homelessness in Melbourne, Victoria <b>Virginia Lewis</b>	Getting a foot in the door of primary care <b>Sue Skidmore</b>	Managing Inflammatory Bowel Disease rurally: What are the perspectives of adults in New Zealand? <b>Tim Stokes</b>	
16:20	Bringing care to those in need: Translating a 'Pop-Up' Health and Social Support Intervention to vulnerable communities in South-East Melbourne <b>Sharon Clifford</b>	Physical activity and risk of behaviour and mental health disorders in kindergarten children <b>Kathleen O'Brien</b>	Knowledge and perspectives of the new National Cervical Screening Program: A semi-structured interview study of North Queensland women - 'I could be that one percent' <b>Archana Nagendiram</b>	
16:30	Optimising primary care for refugees: Experiences implementing practice facilitation in three regions <b>Virginia Lewis</b>	The Possums Sleep Program: Parents' perspectives on a novel Australian infant sleep intervention <b>Pamela Douglas</b>	Australia's new national digital health record system: Toward a co-designed health access literacy intervention for adolescents in a school-based health service <b>Laura Beaton</b>	
16:40	Access Panel Discussion	Health Promotion Panel Discussion	Patient Voices Panel Discussion	
18:30	<b>Social event</b>	Friday Night Trivia (Hosted by Liz Sturgiss and Pip Buckingham)		

**Australasian Association for Academic Primary Care 2020 Annual Research Conference**  
**FRIDAY 14 August 2020 - SATURDAY 15 August 2020**

As at 13 August 2020

Saturday, 15 August 2020				
	Room 1	Room 2	Room 3	Room 4
06:00	<b>Small group discussion</b>	Discontinuing long-term antidepressants ( <i>Walk and Talk</i> ) (Hosted by Katharine Wallis)		
08:00	<b>Small group discussion</b>	The role of prevention in primary care (Hosted by Mari Somerville)		
08:00	<b>Small group discussion</b>	Meet the Australian Journal of Primary Health Editor (Hosted by Virginia Lewis)		
08:30				
09:00	<b>Plenary 3: Prize Winners</b> <i>Chair: Kirsty Douglas</i>			
09:00	Optimising primary care for refugees: Findings from an Australian cluster randomised trial <b>Grant Russell</b>			
09:15	Adapting international hypertensive disorders of pregnancy (HDP) management recommendations to the context of Indonesian primary care <b>Fitriana Ekawati</b>			
09:30	Place, Poverty, and Prevention: Association of neighborhood measures of social determinants of health with breast, cervical, and colorectal cancer screening rates in the US Midwest <b>Shaheen Kurani</b>			
09:30	Rheumatological conditions as risk factors for self-harm: A retrospective cohort study <b>James Prior</b>			
10:00	Discussion			
10:30	<b>Morning tea</b>	<b>Morning tea</b>	<b>Morning tea</b>	<b>Morning tea</b>
11:00	<b>Papers 8: Improving Patient Care</b> <i>Chair: Mark Nelson</i> <i>Co-Chair: Asvini Subasinghe</i>	<b>Papers 9: PHC Roles</b> <i>Chair: Jennifer Reath</i> <i>Co-Chair: Lesley Hawes</i>	<b>Papers 10: Choosing General Practice</b> <i>Chair: Jan Radford</i> <i>Co-Chair: Hayley Thomas</i>	<b>Workshop 2: Writing for publication</b>
11:00	General practice research priority setting in Australia: Informing a research agenda to deliver best patient care <b>Clare Heal</b>	Whose role is it? Primary care and the provision of emotional support for women following miscarriage: A pilot qualitative Australian study <b>Meredith Temple-Smith</b>	Why choose general practice? An overview of outcomes from the medical specialty decision-making project <b>Taryn Elliott, Jill Benson</b>	

11:10	Neuroprotective Developmental Care (NDC or 'the Possums programs'): Is this novel evidence-based approach to breastfeeding, infant cry-fuss, and sleep effective? <b>Emma Crawford, Pamela Douglas</b>	Providing nutrition care to people with prediabetes is challenging: Qualitative exploration of healthcare providers' views <b>Mari Somerville</b>	Australian medical student future speciality choice - A decade in review <b>Rachel Melhem</b>	Writing for publication <b>Katharine Wallis</b>
11:20	Giving Asthma Support to Patients (GASP) program evaluation <b>Nicholas Zwar</b>	To deprescribe or not? Deprescribing of Potentially Inappropriate Medications (PIMs) in older patients - An observational study of deprescribing behaviour among GPs <b>Ashwin Kaniah</b>	Australian medical students' expectations of work life balance as a doctor <b>Sarika Suresh</b>	
11:30	CKD identification and management: A realist evaluation of an audit-based intervention <b>Edward Garrahy</b>	Advance care planning in dementia: A qualitative study of Australian general practitioners <b>Adnan Alam</b>	Association between locus of control, work-related factors, socio-cultural and personal factors among Australian General Practitioners: Findings from the MABEL national longitudinal survey <b>Daya Ram Parajuli</b>	
11:40	Improving Patient Care Panel Discussion	PHC Roles Panel Discussion	Choosing General Practice Panel Discussion	
12:00	<b>Lunch</b>	<b>Lunch</b>	<b>Lunch</b>	<b>Lunch</b>
12:00	<b>Small group discussion</b>	Allies in Indigenous health (Hosted by Alyssa Vass)		
12:00	<b>Small group discussion</b>	Healthcare navigation in Australia (Hosted by Sabuj Nati Mistry)		
12:00	<b>Small group discussion</b>	It's not all about general practice! Continuing the conversation with primary health care scientists (Hosted by Chris Barton, Phyllis Lau, Samantha Chakraborty, Lauren Ball, Lynsey Brown)		
12:00	<b>Small group discussion</b>	Trans and Gender Diverse Health in Primary Care (Hosted by Asiel Adan Sanchez)		
13:00	<b>Papers 11: Antimicrobial Stewardship</b> <i>Chair: Mieke van Driel</i> <i>Co-Chair: Ruby Biezen</i>	<b>Papers 12: Pathways</b> <i>Chair: Grant Russell</i> <i>Co-Chair: Christopher Darragh</i>	<b>Papers 13: Patient/Provider Interactions</b> <i>Chair: Liz Halcomb</i> <i>Co-Chair: Mari Somerville</i>	<b>Workshop 3: The Good, the Bad and the Ugly of Clinical Guidelines</b>
13:00	A framework for antimicrobial stewardship in general practice <b>Lesley Hawes</b>	Health care professionals providing care coordination to people living with multimorbidity: An interpretative phenomenological analysis <b>Annette Peart</b>	Motivational interviewing techniques used by general practice nurses when communicating lifestyle risk <b>Sharon James</b>	
13:10	Co-designing shared decision support tools to promote antimicrobial stewardship in primary care <b>Stephen Ciavarella</b>	Involving Bilingual Community Navigator, a promising approach for healthcare navigation among culturally and linguistically diverse (CALD) population in primary health care (PHC) setting of Australia <b>Sabuj Kanti Mistry</b>	Acceptability and usability of "One Key Question" in Australian primary healthcare <b>Jessica Fitch</b>	
13:20	Antimicrobial stewardship: Awareness, uptake, collaboration and improvement strategies of Australian community pharmacists <b>Sajal Kumar Saha</b>	Identification and referral pathways for people living with refractory epilepsy from primary care to Tertiary Epilepsy Centres in New South Wales <b>Karen Hutchinson</b>	How general practitioners and other specialists experience, understand, and respond to patient question asking and question prompt lists - A qualitative study <b>Marguerite Tracy</b>	

The Good, the Bad and the Ugly of Clinical Guidelines  
**Mark Morgan, Nicholas Zwar, Paul Glasziou, Evan Ackermann**

13:30	Comparison of international impetigo treatment guidelines - A systematic review <b>Hilary Gorges</b>	The acceptability and feasibility study of hypertensive disorders of pregnancy (HDP) management pathways in Indonesia <b>Fitriana Ekawati</b>	Initiating conversations about end-of-life care in general practice <b>Hayley Thomas</b>	
13:40	Antimicrobial Stewardship Panel Discussion	Pathways Panel Discussion	Patient/Provider Interactions Panel Discussion	
14:00	<b>Afternoon tea</b>	<b>Afternoon tea</b>	<b>Afternoon tea</b>	<b>Afternoon tea</b>
14:30	<b>Posters 3: Working Together across Health Systems and Services</b>	<b>Posters 4: Prescribing</b>		
	<i>Chair: Lauren Ball Co-Chair: Vera Costa</i>	<i>Chair: Liz Sturgiss Co-Chair: Anna Fragkoudi</i>		
14:30	Introduction	Introduction		
14:32	Medical receptionist and pharmacy staff attitudes to the use of plexiglass screens as a protective measure against Covid-19 transmission: A medical receptionist driven research project <b>Sophie Murray, Brittaney O'Regan</b>	Australian GPs might support the 'open-label' prescription of 'inert' placebo medicines <b>Oliver Frank</b>		
14:34	iRAD: Achieving software interoperability by sharing patient information in real-time between primary care and the whole of the health system; benefits for clinicians <b>Alessandro Luongo</b>	Information that GPs can trust: What is the validity of the GP National Antimicrobial Prescribing Survey (GP NAPs) compared to an in-practice audit of antimicrobial prescribing? <b>Jimmy Wang</b>		
14:36	Creating a digital Community of Practice <b>Michelle Jones</b>	Characteristics associated with a longer duration of prescribing benzodiazepines and z-drugs (BZD-ZDs) for the treatment of insomnia in Australian general practices <b>Amelia Woods</b>		
14:38	Why we need a new guideline for preventing stroke associated with Carotid Arterial Disease and why we need general medical practitioners to assist <b>Anne Abbott</b>	Are they Prepared? HIV pre-exposure prophylaxis: Knowledge and attitudes among general practitioners <b>Will Lane</b>		
14:40	Practice Nurse and Clinical Nurse Consultant Peer Led Collaborative: Challenges and opportunities <b>Cathy O'Callaghan</b>	Increasing the uptake of long acting reversible contraception in general practice: The Australian Contraceptive ChOice pRoject (ACCORd) cluster randomised control trial longitudinal follow-up protocol <b>Natalie Amos</b>		
14:42	Of Doctors By Doctors: An international perspective <b>Louise Stone, Elizabeth Waldron</b>	Women's perspectives of over-the-counter contraception: A protocol of a qualitative study <b>Tara Dev</b>		

14:44	The experiences and impact of racism in Indigenous general practice trainees <b>Talila Milroy</b>	General practice registrars as immunisers: The prevalence and determinants of immunisation in older Australians <b>Isaac Tranter</b>	
14:46	Australian medical students' desire to become a GP - A decade in review <b>Joshua Briotti</b>	General practitioner registrar management of herpes zoster: Secondary analysis of ReCEnT data <b>Katharine Wallis</b>	
14:48	Qualitative case studies examining facilitators and barriers to environmental sustainability in general practice <b>Alex Pavli</b>	Discrete choice experiment to assess factors that influence antibiotic prescribing by general practice registrars <b>Gregory Merlo</b>	
14:50	Public vs private narratives in pathways to diagnosis and treatment of colorectal cancer <b>Yao (angus) Yu</b>		
14:52	Healthcare for transgender and gender diverse Australians: Comparing patient complexity in the 'informed consent' primary care model with the secondary model of care <b>Pravik Solanki</b>		
14:54	Diabetes and Oral Health (DiabOH): The perspectives of general medical, oral health and nursing professionals in the management of diabetes and periodontitis in China <b>Andrew Yun</b>		
14:56	Poster walk		
15:30			
15:35	<b>Plenary 4: Closing</b>		
15:35	Prize Ceremony		
16:15
