

**Australasian Association for Academic Primary Care 2021 Annual Research Conference  
THURSDAY 12 August 2021 - FRIDAY 13 August 2021**

Program as at 7 August (All times in AEST)

<b>17:00</b>	<b>Wednesday 11 August</b>	<b>AGM</b>		
<b>19:00</b>	<b>Wednesday 11 August</b>	<b>Welcome event: How to get the most out of the Conference!</b>		
<b>Thursday 12 August</b>				
<b>08:30</b>	Site opens <i>Explore the exhibition!</i>			
<b>09:00</b>	<b>Plenary 1: Keynote Speakers</b>			
	Chair: Phyllis Lau			
<b>09:00</b>	Welcome (Phyllis Lau)			
<b>09:10</b>	<b>Danielle Mazza</b>			
<b>09:45</b>	<b>Matire Harwood</b>			
<b>10:20</b>	Discussion			
<b>10:30</b>	<b>Morning Tea</b> <i>Explore the exhibition/posters!</i>			
<b>11:00</b>	<b>Papers 1: Lessons from COVID-19</b>	<b>Papers 2: Women's health</b>	<b>Papers 3: Nutrition</b>	<b>Workshop 1</b>
	Chair: Louise Stone Co-Chair: Vera Camões-Costa	Chair: Sharon James Co-Chair: Lauren Moloney	Chair: Mark Nelson Co-Chair: Aroub Lahham	Learning how to plan and complete a research project: an essential beginning for new researchers
<b>11:00</b>	Lessons for the global primary care response to COVID-19: A rapid review of evidence from past epidemics  Jane Desborough	Randomised controlled trial of letter vs phone/SMS mammogram reminders in Aboriginal primary care  Rowena Ivers	Integrated, accessible, and personalised: The healthcare consumer vision for quality nutrition care  Amy Kirkegaard	Pascale Dettwiler, Kylie Vuong
<b>11:10</b>	Protecting aged care: A rapid review of international strategies to prevent and reduce transmission in residential care settings Sally Hall Dykgraaf	Pharmacist-delivered contraceptive counselling: Possibility or a 'pipedream'?  Pip Buckingham	Is nutrition care in primary care settings cost effective? A systematic review of trial-based economic evaluations Katelyn Barnes	

11:20	How has COVID-19 affected how general practices deliver care? A prospective case study of six Melbourne general practices  Riki Lane	Adaptation of an encounter decision aid on contraceptive methods for Chinese migrant women living in Australia  Hankiz Dolan	Validation of nutrition knowledge of medical doctors in Thailand in term of delivering nutrition care  Ramin Shafii	
11:30	COVID vaccine: Key cohort preparedness and communication strategies – Patient survey data  Ruby Biezen	Pre- and post-migration factors associated with chronic pain in humanitarian refugee women living in Australia  Areni Altun	“We have a huge role to play...” – A qualitative exploration among physiotherapists to provide nutrition care  Kaleswari Somasundaram	
11:40	<i>Panel Discussion</i>	<i>Panel Discussion</i>	<i>Panel Discussion</i>	
12:00	<b>Lunch</b> <i>Explore the exhibition/posters!</i>			
12:00	<b>FACES Peer-Networking – all welcome!</b>			
13:00	<b>Posters 1: Addressing challenges in research, education and practice everyday and during a pandemic</b>	<b>Posters 2: Sexual and reproductive health</b>		<b>Workshop 2</b>
	<i>Chair: Phyllis Lau</i> <i>Co-Chair: Vanessa Tang</i>	<i>Chair: Kirsty Douglas</i> <i>Co-Chair: David Chua</i>		Writing for publication: tips and tricks for emerging researchers  Katharine Wallis
13:00	Introduction	Introduction		
13:05	Best practices in Practice-Based Research Networks: A scoping review  Sanne Peters	Establishing a Community of Practice: A protocol for the Australian Contraception and Abortion Primary Care Practitioner Support Network (AusCAPPS) Study  Sharon James		

<b>13:07</b>	Consensus Reporting Items for Studies in Primary Care (CRISP) – an international Delphi survey of researchers and end-users  Liz Sturgiss	Healthcare provider views on provision of sexual and reproductive healthcare for international university students  Janani Mahadeva, Sanjyot Vagholkar		
<b>13:09</b>	Challenges and implications of conducting a complex GP trial during a pandemic: A case study  Samantha Chakraborty	Improving contraceptive health literacy and uptake of long acting reversible contraception (LARC), among women from rural and remote areas, culturally and linguistically diverse groups and socioeconomically disadvantaged backgrounds: A protocol of the EXTEND PREFER study  Nilab Hamidi		
<b>13:11</b>	Running a trial remotely. An RCT of a decision aid to support informed choices about taking aspirin to prevent colorectal cancer and other chronic diseases: teletrial design and recruitment during COVID-19  Shakira Milton	The acceptability of immediate postpartum and post-abortion placement of long-acting reversible contraception to adolescents: A systematic review  Pip Buckingham		
<b>13:13</b>	Ensuring routine primary care during the COVID-19 pandemic: A review of the international literature  Sethunya Matenge	Models of care for intrauterine device insertion in primary care: A rapid review  Lauren Moloney		
<b>13:15</b>	Experiences of Australian General Practitioners during the COVID-19 pandemic: A qualitative study  Seren Ovington	FAMS: Family planning and Multiple Sclerosis: Identifying practices and unmet information needs of people with MS  Anna Fragkoudi		

13:17	<p>Prioritising essential clinical services (ECS) in general practice during the COVID-19 pandemic: A protocol for the evaluation of the Royal College of General Practitioners (RCGP) guidance for the Australian context</p> <p>Pallavi Prathivadi</p>	<p>Preconception care interventions that reduce risk and improve pregnancy outcomes: A protocol for a systematic review of interventions in primary care settings</p> <p>Nishadi Nethmini Withanage</p>		
13:19	<p>The impact of COVID-19 on asthma management in general practice: A qualitative study</p> <p>Louisa Ling</p>	<p>Calling for publicly funded abortion service provision: A consensus statement by the Women's Sexual and Reproductive Health COVID-19 Coalition</p> <p>Jessica Botfield</p>		
13:21	<p>Integrating a youth-focused digital mental health screening and clinical decision aid into general practice: Results of a pilot study and protocol for a randomised controlled trial</p> <p>Belinda Parker</p>	<p>General practitioner perspectives on provision of early medical abortion services in the general practice setting to women from culturally and linguistically diverse backgrounds</p> <p>Rhea Singh</p>		
13:23	<p>Australian General Practice Registrars' lived experiences of engagement with their Regional Training Organisation during the COVID-19 pandemic</p> <p>Isabella White</p>	<p>Trans Menopause: What is the clinical, psychological and social relevance of menopause for trans and gender diverse people?</p> <p>Michelle Xin</p>		
13:25	<p>The prevalence and associations of telehealth consultations in GP registrars' practice: A cross-sectional study nested within the Registrar Clinical Encounters in Training (ReCEnT) study</p> <p>Katie Fisher</p>			

13:27	How can cultural safety, as determined by Aboriginal and Torres Strait Islander peoples, be assessed in GP trainees?  Kay Brumpton			
13:30	<b>Poster Walk</b> <i>Explore the exhibition/posters!</i>			(Workshop ends 14:00)
14:15	<b>Afternoon Tea</b> <i>Explore the exhibition/posters!</i>			
14:45	<b>Papers 4: Access</b>	<b>Papers 5: Addressing complex needs</b>	<b>Papers 6: Education and training</b>	<b>Workshop 3</b>
	<i>Chair: Maja Green</i> <i>Co-Chair: Uday Yadav</i>	<i>Chair: Liz Sturgiss</i> <i>Co-Chair: Rita McMorrow</i>	<i>Chair: Liz Halcomb</i> <i>Co-Chair: Michelle (Qian) Xin</i>	Designing good qualitative research projects: a fun mystery box challenge for researchers new to qualitative research  Louise Stone, Elizabeth Waldron
14:45	What is being seen out of hours in primary care in the Australian Capital Territory?  Katelyn Barnes	ED to Community Program: Pre-intervention assessment study in Sydney  Cathy O'Callaghan	What do nursing students think about working in general practice?  Kaara Calma	
14:55	"They're getting a taste of our world": A qualitative study of people with multiple sclerosis' experiences during the COVID-19 pandemic in the Australian Capital Territory  Anne Parkinson	The impact of multimorbidity on quality of life, disease activity and health assessment in patients with new-onset rheumatoid arthritis  Frances Mair	What is in a visit? Establishing the content and perceived utility of Clinical Teaching Visits (CTVs) in different settings within Australian GP training  Benjamin Mundy	
15:05	Patient reasons for seeking care outside of hours: A whole system snapshot for the Australian Capital Territory  Katelyn Barnes	Frailty in rheumatoid arthritis and its relationship with disease activity, hospitalisation and mortality: An analysis of the Scottish Early Rheumatoid Arthritis cohort and UK Biobank  Peter Hanlon	Real-time learning logs in General Practice. Tracking in-consultation learning of general practice registrars  Jill Benson	

15:15	Association between waiting time and lung cancer outcomes: Results from a systematic review of systematic and scoping reviews  Jianrong Zhang	Frailty and multimorbidity in middle-aged people with type 2 diabetes  Peter Hanlon	Utility of ReCEnT (Registrars Clinical Encounters in Training) for reflection and learning in general practice training  Linda Klein	
15:25	<i>Panel Discussion</i>	<i>Panel Discussion</i>	<i>Panel Discussion</i>	
15:45	<b>Stretch</b>			
15:55	<b>Plenary 2: Dangerous Ideas</b>			
	<i>Chair: Lauren Ball</i>			
15:55	Rules			
16:00	Rapid transformation of medical students into emergent clinicians through a general practice simulation: the 'SECO clinic'  Jim Ross			
16:15	Is your doctor speaking another language? Confused about where to go for health or social care? For patients of a culturally and linguistically diverse background, this is their reality, and we need to fix it.  David Chua			
16:30	Is multimorbidity an iatrogenic artefact?  Johanna Lynch			
16:45	A Dangerous Idea for Primary Health Care: Radical Self-Reflection  Alyssa Vass			

17:00	Wrap up	
17:30	Networking shuffle	

Friday 13 August

07:30	Special Interest Discussion: Primary care reform – all welcome!		
08:30	Site opens <i>Explore the exhibition/posters!</i>		
09:00	<b>Plenary 3: Prize Winners</b>		
	<i>Chair: Kirsty Douglas</i>		
09:00	Marketing & Membership Chair introduction		
09:15	<b>NAPCRG</b> Identifying frailty in industry-sponsored drug trials Peter Hanlon		
09:30	<b>ECR Prize</b> Remote self-management support intervention for type 2 diabetes: A systematic review Iona Bryson		
09:45	<b>Most Distinguished Paper</b> Shared decision support for patients. An antimicrobial stewardship strategy to promote appropriate antibiotics use in primary care. Ruby Biezen		
10:00	Discussion		
10:30	Morning Tea <i>Explore the exhibition/posters!</i>		

11:00	<b>Papers 7: Using different methods to tackle challenges in academic primary care</b>	<b>Papers 8: Mental wellbeing</b>	<b>Papers 9: Prescribing</b>	<b>Workshop 4</b>
	<i>Chair: Kylie Vuong Co-Chair: Jianrong Zhang</i>	<i>Chair: Samantha Chakraborty Co-Chair: Isabel Hanson</i>	<i>Chair: Charlotte Hespe Co-Chair: Ruby Biezen</i>	Analysing qualitative data: learning how to undertake reflexive thematic analysis for qualitative and mixed methods research
11:00	Using Serious Adverse Events to assess representativeness of randomised controlled trials  Peter Hanlon	Emotional experiences of family members and admission to aged care: A cross-sectional survey study  Vera Costa	Medication risk management and health equity in New Zealand general practice: A retrospective cross-sectional study  Sharon Leitch	Chris Barton, Pallavi Prathivadi
11:10	How to undertake research with refugees? An experiential and fieldwork analysis of a 3-year refugee research programme in Southern New Zealand  Molly George	General Practice management of depressive symptoms after incident coronary heart disease: A quantitative analysis of data from MedicinesInsight in the Australian population  Habiba Jahan	PCR point of care testing for group A streptococci in patients with uncomplicated acute sore throat improves targeting of antibiotics  Clare Heal	
11:20	Prevalence, measurement and implications of frailty in stroke  Peter Hanlon	Diabetes distress assessment and management during type 2 diabetes care in Australian general practice: An online survey of Australian general practitioners  Rita McMorro	Comparison of topical antibiotics with topical antiseptics and inert ointment for treatment of impetigo – a feasibility study for a randomised double-blinded controlled trial for the topical treatment of impetigo in Australian general practice  Clare Heal	
11:30	Representation, Diversity, and Ethics: Building an international community of authors to write on sexual abuse in medicine  Elizabeth Waldron & Louise Stone	Effectiveness of a digital mental health screening and clinical decision aid for promoting uptake of eMental Health interventions in Australian general practices  Alexis Whitton	General Practitioners' experience, knowledge and attitudes towards diagnosing and managing patients with chronic pain, prescribed long-term opioids and the development of opioid use disorders: A scoping review  Hester Wilson	

11:40	<i>Panel Discussion</i>	<i>Panel Discussion</i>	<i>Panel Discussion</i>	
12:00	<b>Lunch</b> <i>Explore the exhibition/posters!</i>			
12:00	<b>Special Interest Discussion: Nursing – all welcome!</b>			
13:00	<b>Posters 3: Clinical practice</b>	<b>Posters 4: Improving access, communication and wellbeing</b>		<b>Workshop 5</b>
	<i>Chair: Vera Camões-Costa</i> <i>Co-Chair: Kristi Milley</i>	<i>Chair: Kylie Vuong</i> <i>Co-Chair: Anna Fragkoudi</i>		Designing hybrid effectiveness and implementation trials for the General Practice setting
13:00	Introduction	Introduction		
13:05	Perceptions of general practitioners of e-cigarettes as a smoking cessation aid: A systematic review  Melis Selamoglu	Nurse involvement in task-sharing and telehealth service delivery models in primary care: A scoping review  Jessica Moulton		Belinda Parker, Rebecca Hardy, Alexis Whitton
13:07	Unpacking the complexities of preventive weight management in general practice  Katrina Paine	What characterizes high quality paediatric care in general practice and how is this demonstrated? Perspectives of parents/carers, general practitioners and paediatricians in Greater Western Sydney  Tasnuba Pervez		
13:09	The experience of obesity healthcare in Peninsular Malaysia: A protocol of a qualitative study  Nor Akma Yunus	Health care experiences of adults with Chronic Obstructive Pulmonary Disease (COPD) across community (primary), acute (secondary) and subacute (tertiary) health care settings: A meta-ethnography  Sanduni Sankhika Madawala		

<b>13:11</b>	General Practitioners' perspectives on barriers and facilitators to cervical cancer screening in women from culturally and linguistically diverse backgrounds in South Australia; a qualitative study  Abira Chandrakumar	Using SMS surveys to access hard-to-reach groups: A pilot study assessing feasibility and uptake  Liz Sturgiss		
<b>13:13</b>	A community based health approach to increasing cervical screening among migrant and refugee women from an Arabic speaking background living in Western Sydney  Olivia Missiakos	Patient perceptions of doctors accessing information to answer clinical questions during general practice consultations  Isaac Tranter		
<b>13:15</b>	The ORIENT study protocol: imprOving Rural and regional accEss to long acting reversible contraceptioN and medical abortion through nurse-led models of care, tasksharing and telehealth  Jessica Botfield	Communicating medical information with Aboriginal patients: Lessons learned from general practitioners in Aboriginal primary care  Wissam Ghamrawi		
<b>13:17</b>	A 2019/2020 Chlamydia study in Victoria, Australia; comparing testing, diagnosis, treatment, retesting and positivity rates at retesting in urban and regional areas of general practice in Victoria and the impact of COVID-19 pandemic in 2020 testing, diagnosis and treatment rates  Chang-June Jung	Current best practices for communicating with refugee and asylum seeker patients: An environmental scan of online resources  Pinika Patel		
<b>13:19</b>	General practitioners' perceptions of screening for Primary Aldosteronism: a qualitative study Abhir Nainani	Uptake of advanced care planning in Western Sydney among the Vietnamese-speaking community Yvonne An		

<b>13:21</b>	Predicting the likelihood of delayed healing in general practice: A venous leg ulcer risk assessment tool  Christina Parker	Development of online resources for Obstructive Sleep Apnoea and Chronic Insomnia  Nick Zwar		
<b>13:23</b>	The 3-Domains toolkit for driving medical assessment in older drivers: Pilot study in general practice  Katharine Wallis	Using automated reminders before consultations to prompt adult at-risk patients to ask about pneumococcal vaccination  Oliver Frank		
<b>13:25</b>	A systematic review of the effectiveness of provider-targeted interventions to improve opioid prescribing in primary care: A protocol  Pallavi Prathivadi	What mental health and wellbeing means to me: A photo sub-study of the Noongar boodjar youth wellbeing project  Bryan Tan		
<b>13:27</b>	Opioid prescribing: Difficulties faced by GP registrars in rural and remote program  Takehiro Ichikawa	Social prescribing in the Sydney Local Health District: a qualitative analysis of key stakeholder perspectives on a 'link worker model'  Isabel Hanson		
<b>13:29</b>		Connecting Communities to Care: Research evolution from discrete projects to a whole of community approach  Maja Green		
<b>13:35</b>	<b>Poster Walk</b> <i>Explore the exhibition/posters!</i>			(Workshop ends 14:00)
<b>14:20</b>	<b>Afternoon Tea</b> <i>Explore the exhibition/posters!</i>			

14:50	<b>Papers 10: Co-design</b>	<b>Papers 11: eHealth/Telehealth</b>	<b>Papers 12: Improving Quality of Care</b>	<b>Papers 13: Assessing Risk</b>
	<i>Chair: Grant Russell Co-Chair: Pascale Dettwiller</i>	<i>Chair: Sally Hall Co-Chair: Hester Wilson</i>	<i>Chair: Clare Heal Co-Chair: Katelyn Barnes</i>	<i>Chair: Chris Barton Co-Chair: Brent Venning</i>
14:50	Learning about co-design in primary care  Kathryn Thorburn	Australian primary health care nurses' experiences of telehealth during the COVID-19 pandemic  Sharon James	Why do we continue to have significant gaps in CVD Preventive care in Australia?  Charlotte Hespe	Familial hypercholesterolaemia as an exemplar for precision medicine – a greater role for general practice?  Tom Brett
15:00	Lessons learned through co-design process to develop an integrated model of care for delivering self-management intervention to multi-morbid COPD people in rural Nepal  Uday Yadav	Preventing chronic disease in patients with low health literacy using eHealth and teamwork in primary healthcare  Mark Harris	Multimorbidity in Arthritis and persistent musculoskeletal Pain (MAP) study  Frances Mair	General practitioners' (GPs) understanding and views on breast density in Australia: A qualitative interview study  Hankiz Dolan
15:10	Co-designing a navigation intervention to provide navigation assistance to the chronic Culturally and Linguistically Diverse (CALD) patients in general practice setting  Sabuj Kanti Mistry	Implementation of eConsultant in Queensland  Jenny Job	A cross-sectional survey of Australian optometrists' diabetic retinopathy practice patterns  Vanessa Tang	How do general practitioners perceive sedentary behaviour assessment and management in primary care in Australia? A qualitative study  Aroub Lahham
15:20	Being Your Best – an innovative, co-designed and holistic approach to frailty  Maja Green	Describing variation in the provision and uptake of early medical abortion (EMA) services within primary care in Australia  Danielle Mazza	Cooling to reduce pain associated with vaccination: A systematic review  Leanne Hall	One-year risk of stroke after transient ischemic attack or minor stroke in Hunter New England, Australia (INSIST study)  Shinya Tomari
15:30	<i>Panel Discussion</i>	<i>Panel Discussion</i>	<i>Panel Discussion</i>	<i>Panel Discussion</i>
15:50	<b>Plenary 4: Closing</b>			
	<i>Chair: Phyllis Lau</i>			
15:50	Prize ceremony			
16:15	Close
