

**Australasian Association for Academic Primary Care 2022 Annual Research Conference
THURSDAY 18 August 2022 - FRIDAY 19 August 2022**

Program as at 15 August

18:00	Wednesday 17 August	AGM		
19:00	Wednesday 17 August	Information session: How to get the most out of the Conference!		
Thursday 18 August				
08:30	Site opens			
09:00	Plenary 1: Creating a vision for primary care reform <i>Sponsored by the Australian National University</i>			
	<i>Chair: Phyllis Lau</i>			
09:00	Welcome			
09:20	Michael Kidd			
09:55	Claire Jackson			
10:30	Morning Tea			
11:00	Papers 1: Engaging with PHC	Papers 2: Mental health	Papers 3: Sexual & reproductive health	Workshop 1
	<i>Chair: Grant Russell</i> <i>Co-Chair: Hayley Thomas</i>	<i>Chair: Cath Kaylor-Hughes</i> <i>Co-Chair: Amy Coe</i>	<i>Chair: Meredith Temple-Smith</i> <i>Co-Chair: Amita Tuteja</i>	You what? Explaining your research to someone who isn't you Kristi Milley, Sarah Nagorcka, Jamie Liew
11:00	Roadblocks to health care: An integrative review of men's help-seeking and engagement with general practice Ruth Mursa	General practice management of depression among patients with coronary heart disease in Australia Habiba Jahan	The effectiveness of preconception interventions in primary care: A systematic review Nishadi Withanage	
11:15	Practice and patient considerations for conducting a young person's health check in general practice: Insights from key informants Sara Newton	Barriers and facilitators to the participation of general practice in shared care arrangements with community mental health services for preventive care of people with serious mental illness (SMI): Scoping review Catherine Spooner	Models of care for intrauterine device delivery by Australian general practitioners Lauren Moloney	

11:30	Providing healthcare to rainbow young people in Aotearoa, New Zealand – experiences and challenges in primary care Rona Carroll	Formative evaluation of e-mental health in practice provider education and community of practice Becca Hardy	Provision of medical abortion services in Australian general practice: A knowledge, attitudes and practice survey of Australian general practitioners Sharon James	
11:45	Characteristics and health service use of carers aged over 45 in Central and Eastern Sydney, Australia Margo Barr	Tensions in the therapeutic relationship: Emotional labour in the response to child abuse and neglect in primary healthcare Jacqueline Kuruppu	Chlamydia management in Australian general practices participating in the Data for Decisions program between 2018 and 2020 Jun Jung	
12:00	Lunch			
12:00	FACES Peer-Networking (Hosted by AAAPC Friends Advancing Careers through E-based Support group)			
12:30	Visit Editor-in-Chief Virginia Lewis in the CSIRO Publishing/Australian Journal of Primary Health booth			
13:00	Posters 1: Mental wellbeing	Posters 2: PHC education and training	Posters 3: Challenges in PHC research Older adults' wellbeing	Workshop 2
	<i>Chair: Catherine Stephen Co-Chair: Renee Fiolet</i>	<i>Chair: Katelyn Barnes Co-Chair: Rikki Priest</i>	<i>Chair: Cathy O'Callaghan Co-Chair: Shakira Milton</i>	Driving research impact through Interprofessional Collaboration (IPC)
13:00	Introduction	Introduction	Introduction	Phyllis Lau, Rhonda Griffiths, Hanny Calache, Ajesh George
13:05	The pattern of mental health consultations at a metropolitan university general practice clinic in Sydney before and during the COVID-19 pandemic Vivien Nguyen	Understanding how to promote and sustain general practice supervisors' wellbeing Jill Benson and Taryn Elliott	Interprofessional Collaboration (IPC) in primary care research Jia Feng Hu	
13:08	While We Wait: Understanding the impact of service wait times on GPs' treatment behaviour for youth patients with mental health problems Thomas Borchard	GP placement: Comparing what GP supervisors want to teach and what medical students want to learn Natasha Walker	Snakes and Ladders: Clinical research during the COVID-19 pandemic Janani Mahadeva	

13:11	Comparing clinicians' perceptions of informed consent versus mental health models of care for gender affirming treatment – A qualitative study Grace Goatcher	Early-career general practitioners' perceptions of the utility of vocational training for subsequent independent practice Michael Tran	Adaptive research practices in a pandemic: What have we learned during COVID-19? Ruby Biezen
13:14	New Zealand's Integrated Primary Mental Health and Addiction services: A multiple case study critical and appreciative inquiry Jim Ross	Project ECHO: Application of the ECHO model as a learning tool for primary care education in rural Victoria Lauren Cussen	Diagnosing Doctor Google: Investigating the relationship between cognitive bias & information behaviour in older Australians accessing vaccine-related online information Chavy Arora
13:17	WiserAD: Designing an online support tool to help reduce antidepressant medication use in primary care Cath Kaylor-Hughes	'Gender, Sex and Sexuality: Getting the Basics Right' - A student-led teaching intervention to improve knowledge of LGBTQIA+ healthcare issues in undergraduate medicine? Marina Politis	A qualitative study exploring the barriers and enablers of healthcare assessment delivery in older Australians Laxmi Iyengar
13:20	A protocol for a realist evaluation of The WiserAD Online Support Tool for Antidepressant Deprescribing Amy Coe	Consulting in languages other than English: General practice registrars' perspectives Cecilia Lee	Measuring frailty in clinical trials for dementia and MCI and investigating its relationship with serious adverse events and trial attrition Heather Wightman
13:23	The WiserAD trial: A protocol for the randomised trial of a structured online intervention to promote and support antidepressant deprescribing in primary care Charné Froneman	Can introducing a "COIL program" enhance medical students' awareness regarding the relevance of cross-cultural communication skills in healthcare? Nadida Kachkouche and Vikram Amara	Advanced care planning in general practice – Interpersonal experiences of general practitioners in Greater Western Sydney Anita Jenkins

13:26	Supporting resilience and recovery: Understanding general practitioners' perspectives on trauma-informed care for survivors of domestic and family violence Eleanor Bulford	Finding meaning through diversity – A national survey of Australian general practitioners Jill Benson and Taryn Elliott		
13:29	Primary care practitioners' roles in interventions to reduce loneliness and social isolation in older people Cristina Thompson			
13:35	Poster walk			
14:00	Afternoon Tea			
14:00	Visit Editor-in-Chief Virginia Lewis in the CSIRO Publishing/Australian Journal of Primary Health booth			
14:30	Papers 4: Primary care research	Papers 5: PHC training and development	Papers 6: Improving health care outcomes	Papers 7: Migrant and refugee health
	<i>Chair: Sharon James Co-Chair: Antony Bolton</i>	<i>Chair: Chris Barton Co-Chair: Elizabeth Dai</i>	<i>Chair: Ruby Biezen</i>	<i>Chair: Renee Fiolet Co-Chair: Habiba Jahan</i>
14:30	Can Practice-Based Research Networks foster integrated care across the healthcare system? A scoping review Grant Russell	Associations of inner metro, outer metro and rural/remote locations in GP vocational training: Cross-sectional study Michael Tran	Whole person assessment in family medicine: A systematic review Hayley Thomas	Exploring the health seeking narratives of Assyrian refugee women living with chronic pain Areni Altun
14:45	What needs to be in reports of primary care research? Results from an international Delphi survey Liz Sturgiss	'Low-value' clinical care in general practice - associations with GP registrars' summative examination performance: a retrospective cohort study Anna Ralston	Exploring consumer perspective of patient-reported measures (PRMs) used in primary health care (PHC) Baneen Alrubayi and Lucy Bannister	"We can talk only when the interpreter will go home": Negotiating complex interpretation needs of refugees from Burma in sexual and reproductive health consults in primary care Amita Tuteja

15:00	Stakeholders' perceptions about challenges and opportunities for developing and maintaining a PBRN in primary care: A qualitative study Sharon Clifford	Panel discussion	Codesigning improvements for primary maternity care in Indonesia under the Covid-19 pandemic Fitriana Murriya Ekawati	The M-CHooSe Pilot: The acceptability and utilisation of the nurse-led, general practice clinic co-located 'Mater CALD Healthcare Coordinator Service' for patients from multicultural backgrounds David Chua				
15:15	Panel discussion		The association between frailty, social isolation, loneliness and adverse health outcomes in the UK Biobank cohort Marina Politis	Interpreter mediated sexual and reproductive health consultations in primary care: Practical application of debriefing Amita Tuteja				
15:30	Stretch break							
15:40	Plenary 2: Creating a vision for Indigenous health							
					<i>Chair: Renee Fiolet</i>			
15:40					Introduction			
15:45					Māori Health and Equity: The Māori Health Authority and lessons from COVID-19 Mataroria Lyndon			
16:15					Pacific health leadership during the COVID-19 pandemic in Aotearoa New Zealand Roannie Ng Shiu			
16:35					The role of governance in Indigenous medical education research Andrea McKivett			
16:55					Closing			
18:45					Conference dinner in Melbourne			

Friday 19 August

08:30	Site opens
09:00	Plenary 3: Prize winners
	<i>Chair: Kirsty Douglas</i>
09:05	<p>SAPC Prize</p> <p>Findings from the Best Emollients for Eczema randomised trial comparing four types of emollients in children with eczema</p> <p>Matt Ridd</p>
09:20	<p>Most Distinguished Paper</p> <p>General practitioner perspectives and experiences in delivering early medical abortion services to women from culturally and linguistically diverse backgrounds in Australia</p> <p>Rhea Singh</p>
09:35	<p>Early Career Best Paper</p> <p>Developing a national primary care research and surveillance network: A qualitative study of stakeholder views</p> <p>Abigail Pigden</p>
09:50	<p>NAPCRG Prize (NAPCRG)</p> <p>What is the reported experience of patients receiving care from Integrated Primary Care Teams?</p> <p>Émilie Dufour</p>
10:05	<p>NAPCRG Prize (AAAPC)</p> <p>Increasing the uptake of long-acting reversible contraception in general practice: The Australian Contraceptive ChOice pRoject (ACCORd) cluster randomised controlled trial 3-year follow-up</p> <p>Danielle Mazza</p>
10:20	Discussion

10:30	Morning Tea			
10:30	PHC Education Journal Club: <u>Burnout in academia</u> (Hosted by the AAAPC PHC Education Subcommittee)			
11:00	Papers 8: Use of technology in primary care	Papers 9: Health promotion and public health	Papers 10: Improving quality in PHC	Workshop 3
	<i>Chair: Nancy Sturman</i>	<i>Chair: Lauren Ball Co-Chair: Michael Tran</i>	<i>Chair: Liz Halcomb Co-Chair: Christabel Abalo</i>	
11:00	“All you need is 30 seconds”: Optimising clinical decision support technology in general practice Barbara Hunter	Leveraging the data capabilities of Primary Health Networks to improve the uptake of alcohol brief interventions in general practice Nilakshi Gunatillaka	Achieving consensus on indicators and measures of high quality in Australian general practice using a Delphi survey Phyllis Lau	Culturally safe ways of working with Aboriginal and Torres Strait Islander peoples in focus groups on sensitive topics Deb Bowman, Emma Stubbs, Renee Fiolet
11:15	Tracking implementation of eConsultant in Queensland Jenny Job	Developing and evaluating a pilot project to enhance gambling harm screening in general practice in Fairfield NSW Andrew Reid	Assessing the quality of patient-reported measures (PRMs) used in primary health care: Development of a PRM compendium Samantha Ryan and Dhruvi Lathigara	
11:30	Evaluating the performance of existing automated text de-identification tools on patient progress notes from Australian general practice Carol El-Hayek	Perceptions of Australian general practitioners on e-cigarettes as a smoking cessation aid Melis Selamoglu	“It’s what we should be doing anyway”: Using financial incentives to promote relational continuity in Australian general practice – a nested case study analysis Susannah Westbury	
11:45	“Part of a suite of solutions”: A qualitative study exploring the use of Natural Cycles fertility tracking app in the ‘prevent a pregnancy’ mode Karen Freilich	What is it like to live with obesity in Asian countries? Findings from a scoping review of qualitative studies Nor Akma Yunus	Enablers of and barriers to nurses providing preventive care in general practice Katrina Paine	
12:00	Lunch			
12:00	How to make AAAPC work for you (Hosted by AAAPC Membership Engagement Subcommittee)			

12:30	Visit Editor-in-Chief Virginia Lewis in the CSIRO Publishing/Australian Journal of Primary Health booth			
13:00	Posters 4: Sexual and reproductive health	Posters 5: Accessing quality care	Posters 6: Data, digital health and decision-making	Workshop 4
	<i>Chair: Sibel Saya Co-Chair: Chavy Arora</i>	<i>Chair: Annette Peart Co-Chair: Jianrong Zhang</i>	<i>Chair: Kristi Milley Co-Chair: Lauren Moloney</i>	Beyond synthesis: Using meta-ethnography to reconceptualise published qualitative data
13:00	Introduction	Introduction	Introduction	Sanduni Madawala, Chris Barton
13:05	The space between: A scoping review of providing future fertility care for women in Australian general practice Amy Webb	General practitioners' experiences when treating fellow doctors as patients: A scoping review Claire Hutton	Exploring the potential for data-led primary care improvement within the South East and Eastern regions of Melbourne Grant Russell	
13:08	Primary health care nurse use of telehealth for women's sexual and reproductive health services: A scoping review Sharon James	Exploring security in the GP-patient relationship: A qualitative study Hayley Thomas	Introducing Delphi Plus: An enhanced methodology for identifying evidence-based reporting standards in primary health Peter Clark	
13:11	Feasibility of using general practice electronic medical records to identify women who most require preconception care in Australia: A protocol Nishadi Withanage	General practitioners' perspectives on what enables rural patients to have a good enough death Sophie Wu	Exploring barriers and facilitators to implementation of a new quality improvement program targeting the reduction of cardiovascular risk in chronic kidney disease in general practice Caroline McBride	
13:14	Lifestyle risk reduction during interconception: A scoping review of women's preferences Sharon James	Telehealth use and satisfaction with telehealth during the COVID pandemic in metropolitan Sydney Yvonne Ho	Digital health access, engagement, literacy and trust in people with experience of homelessness Nancy Sturman	

13:17	ALLIANCE (Quality Family Planning Services and Referrals in Community Pharmacy: Expanding Pharmacists' Scope of Practice): A protocol for a stepped-wedge trial Anisa Assifi	Primary health care access and utilisation for population groups without Medicare Cathy O'Callaghan	Enhancing shared care between health services and primary health care using an interactive e-care plan in South Eastern Sydney Local Health District Jane Taggart
13:20	Achieving equitable access to abortion care in regional, rural and remote Australia: Recommendations from the SPHERE Women's Health Coalition Jessica Botfield	Ability to seek primary care among women of a refugee background in South-East Melbourne: A qualitative study Praghya Godavarthy	e-Prescription: What are the benefits and challenges for general practitioners and community pharmacists Hashem Alrefae, Ricky Kim, Ryan Ryu, Jim Teh and Josh Tran
13:23	The provision of cardiovascular disease preventative care following a hypertensive disorder of pregnancy: Postnatal woman's perspective Kaylee Slater		Patients' experience of QR code based health education program in university general practice waiting room Elizabeth Hu
13:26	Barriers and facilitators to cardiovascular disease prevention following hypertensive disorders of pregnancy in primary health care Kaylee Slater		Influence of alcohol use on intentional medication non-adherence in people with chronic disease Vivianne Xia
13:29			Adult obesity management in Australia: How can we bridge the gap between guidelines and current general practice? Bo Bi
13:35	Poster Walk		
14:00	Afternoon Tea		

14:30	Papers 11: Indigenous health	Papers 12: Managing conditions	Papers 13: Managing medications	Papers 14: Pandemic response
	<i>Chair: Phyllis Lau</i>	<i>Chair: Margo Barr Co-Chair: Laxmi Iyengar</i>	<i>Chair: Samantha Chakraborty Co-Chair: Anisa Assifi</i>	<i>Chair: Kylie Vuong Co-Chair: Amy Webb</i>
14:30	Contemplating the appropriateness of online resources for Indigenous Australians seeking support: evidence from a co-designed online family violence tool Renee Fiolet	Patterns of multimorbidity show strong association between many chronic condition pairs Tylie Bayliss	Deprescribing intervention activities mapped to guiding principles for use in general practice: A scoping review Amy Coe	Redesigning a trial in general practice in response to the COVID-19 pandemic: Lessons learned from dealing with the challenges of GP recruitment and engagement Vera Camoes-Costa
14:45	An eDelphi study exploring what primary care staff think should be prioritised to improve primary prevention of acute rheumatic fever Rosemary Wyber	The experience of primary care for patients with chronic obstructive pulmonary disease (COPD) who continue to smoke: An interpretative phenomenological inquiry Sanduni Madawala	Improving hypertension control in Australian general practice: A multi-method study using electronic health records Jackie Roseleur	The role of community leaders and other information intermediaries in enhancing health care in culturally diverse communities: Insights from the COVID-19 pandemic Ben Harris-Roxas
15:00	Understanding the implementation and effectiveness of regular/annual health checks in prevention and early detection of chronic diseases among Aboriginal and Torres Strait Islander peoples in Australia: A realist review Matthew Smith	Can a general practice nurse intervention improve blood pressure control? Findings from the ImPress Study Catherine Stephen	Diagnosing and managing prescription Opioid Use Disorder in patients prescribed opioids for chronic pain: Australian general practitioners' salient beliefs, social norms and perceived behavioural controls Hester Wilson	Delivering essential care services during COVID lockdowns: GP experiences and approaches Danielle Mazza
15:15	Panel discussion	Zoster vaccine effectiveness against Zoster and Postherpetic Neuralgia in New Zealand: A retrospective cohort study James Mbinta	Designing a decision aid for cancer prevention Shakira Milton	What is the role of primary care in COVID-19 programs focused on people experiencing homelessness? Liz Sturgiss
15:30	Stretch break			
15:40	Plenary 4: Closing			
	<i>Chair: Phyllis Lau</i>			
15:40	Prize ceremony			
16:00	Close
