

Australasian Association for Academic Primary Care 2023 Annual Research Conference THURSDAY 17 August 2023 - FRIDAY 18 August 2023				
Program as at 15 August				
Thursday 17 August				
08:00	Registration opens			
09:00	<b>Plenary 1: Strengthening primary care: Networks, collaborations and infrastructure</b> Proudly sponsored by The University of Melbourne <i>Forum 1 &amp; 2</i>			
09:00	<i>Chair: Phyllis Lau</i>			
09:00	Welcome to Country <b>Aunty Di Kerr and dancers</b>			
09:20	President's opening <b>Dr Phyllis Lau</b>			
09:35	<b>Assistant Minister Ged Kearney</b> (recorded presentation)			
09:45	National practice-based research networks: why does Australia need one? <b>Prof Jon Emery</b>			
10:15	Morning Tea			
10:45	<b>Papers 1: Building the primary care workforce</b>	<b>Papers 2: Contemporary issues in primary care</b>	<b>Papers 3: Chronic disease management</b>	<b>Papers 4: Communication in primary care</b>
	<i>Forum 1</i>	<i>Forum 2</i>	<i>Forum 3</i>	<i>Studio</i>
	<i>Chair: Sibel Saya</i> <i>Co-Chair: Fiona Beer</i>	<i>Chair: Dimity Pond</i> <i>Co-Chair: Ruby Biezen</i>	<i>Chair: Catherine Spooner</i> <i>Co-Chair: Saha Sajal</i>	<i>Chair: Joanne Manski-Nankervis</i> <i>Co-Chair: James Mbinta</i>
10:45	The impact of rural-urban differences in secondary school educational achievement impacting on medical programme admissions <b>Kyle Eggleton</b>	Strengthening primary health care; what can we learn from the history of the 1973 Community Health Program and the survival of the sector in Victoria? <b>Virginia Lewis</b>	How effective are allied health group interventions for the management of adults with long-term conditions? An umbrella review of systematic reviews <b>Sarah Dennis</b>	Exploring deep GP patient relationships: a qualitative study with GP-patient dyads <b>Hayley Thomas</b>
10:57	Predictive validity of a low-resource multiple-choice assessment at commencement-of-training for	Implementing primary health care initiatives in Australian general	"Jumping on the blood pressure bandwagon": GP, nurse and patient perspectives of a general practice	A conversation analytical study of general practitioners' laughter in lifestyle behaviour consultations

	summative fellowship examinations in general practice specialist vocational training: a retrospective cohort study <b>Jordan Tait</b>	practice: practitioner experiences and implications for PHNs <b>Lynelle Hales</b>	nurse-led hypertension management intervention <b>Catherine Stephen</b>	<b>Binh Ta</b>
<b>11:09</b>	Rolling out a large scale longitudinal integrated clerkship in primary care: lessons learned <b>Rebecca Starkie</b>	A qualitative study on the perceptions of Australian general practitioners on e-cigarettes as a smoking cessation aid <b>Melis Selamoglu</b>	“We do, obviously, need more of us”: a qualitative exploration of primary care clinician perspectives of the barriers to effective type 2 diabetes management in New Zealand <b>Rebekah Crosswell</b>	Reproductive coercion and the role of general practitioners <b>Susan Saldanha</b>
<b>11:21</b>	The impact of the Adelaide Rural Clinical School longitudinal clinical placement on the rural medical workforce: a retrospective cohort study of graduates, 2004-2019 <b>Susan Williams</b>	Australian general practice registrars’ billing patterns: a cross-sectional analysis from the Registrars Clinical Encounters in Training (ReCEnT) study <b>Katie Fisher</b>	Pharmaceutical management of type 2 diabetes among Indigenous Australians living in urban or rural locations: a comparative study using a national general practice database <b>Antoinette Liddell</b>	The role of primary care in supporting vision and eye health in people living with dementia <b>Bao Nguyen</b>
<b>11:33</b>	Predictors of pre-registration nursing students’ interest, intention and confidence to work in general practice <b>Kaara Calma</b>	The impact of telehealth on general practice registrars’ in-practice learning experience during 2020-2021: a qualitative study <b>Irena Patsan</b>	Variation in diabetes prescribing behaviour: the impact on clinical targets and new medication use <b>Lynne Chepulis</b>	Avoiding anti-inflammatories: a randomized control trial testing the use of an information package on primary care patient knowledge and behaviour in Aotearoa New Zealand <b>Sharon Leitch</b>
<b>11:45</b>	General practice training graduates’ motivations to work in Aboriginal Health Services: a qualitative investigation <b>Shaun Prentice</b>	Diagnosis and management of acute infections during telehealth consultations in Australian general practice: a qualitative study <b>Emma Baillie</b>	The impact of workload and capacity support on the efficacy of self-management interventions for type 2 diabetes: a systematic review and meta-regression <b>Peter Hanlon</b>	Patient preferences for investigating cancer-related symptoms in primary care: a discrete choice experiment <b>Brent Venning</b>
<b>12:00</b>	<b>Lunch</b>			
<b>12:00</b>	<b>EMCA Peer-Networking Lunch (Hosted by AAAPC Early and Mid-Career Academic Network), The Studio</b>			
<b>12:30</b>	<b>Meet the Editor: Visit Editor-in-Chief Virginia Lewis in the CSIRO Publishing/Australian Journal of Primary Health booth</b>			

1:00	<b>Papers 5: Improving quality and safety</b>	<b>Papers 6: Sexual and reproductive health</b>	<b>Papers 7: Accessing primary care</b>	<b>Workshop 1 (60 mins)</b>
	<i>Forum 1</i>	<i>Forum 2</i>	<i>Forum 3</i>	<i>Studio</i>
	<i>Chair: Lynne Chepulis Co-Chair: Allyce Counsell</i>	<i>Chair: Sarah Dennis Co-Chair: Deirdre McGowan</i>	<i>Chair: Ceecee Britten-Jones Co-Chair: Naomi Kilov</i>	Building an enduring primary care policy/research partnership and research network: lessons from Ontario, Canada
<b>1:00</b>	Should we be concerned? A qualitative study of educators' perceptions of medical student wellbeing in domestic violence training <b>Jennifer Neil</b>	Long-acting reversible contraception: A national descriptive survey of Australian general practitioner knowledge, attitudes and practices <b>Sharon James</b>	Taking steps towards recovery: telephone peer navigation for people experiencing addiction <b>Annette Peart</b>	<b>Michael Green</b>
<b>1:12</b>	Safety of the herpes zoster vaccine in the older Aotearoa New Zealand population: a self-controlled case series <b>James Mbinta</b>	Long-acting reversible contraception prescribing coverage from 2018-2021 by nurse practitioners and midwives in Australia <b>Sharon James</b>	Implementation evaluation of an asynchronous general practitioner-to-specialist eConsult service (eConsultant) in Australia <b>Jenny Job</b>	
<b>1:24</b>	Frailty in combination with social isolation or loneliness: associations with mortality and hospitalisation in middle-aged and older people <b>Peter Hanlon</b>	Assessing the recording of preconception health indicators in Australian general practice electronic medical records <b>Nishadi Withanage</b>	Access to Australian child and adolescent mental health care – a narrative review of barriers, facilitators, and the role of general practitioners <b>Jade Guitera</b>	
<b>1:36</b>	The role of the diagnostic interval in colorectal cancer: a linked data study <b>Allison Drosdowsky</b>	Reproductive genetic carrier screening: views of participating Victorian general practitioners <b>Ruth Leibowitz</b>	Exploring the perspectives of GPs providing care for women from refugee and migrant backgrounds living with chronic pain <b>Areni Altun</b>	
<b>1:48</b>	Delays in lung cancer diagnosis and treatment: a data-linkage, cohort study between primary care and hospital datasets <b>Jianrong Zhang</b>	Postpartum contraception counselling and provision: a review of primary healthcare practitioners views and experiences <b>Jenna Perkins</b>	"Rurally of course there are a lot less facilities than urban": exploring the barriers to effective obesity management in rural general practice from clinician and patient perspectives <b>Kimberley Norman</b>	

2:00		Long-acting reversible contraception and medical abortion: a national descriptive survey of Australian community pharmacist knowledge, attitudes and practices <b>Anisa Assifi</b>	Promoting ear and hearing health for Aboriginal and Torres Strait Islander people in prison <b>Penelope Abbott</b>	
2:15	<b>Afternoon Tea</b>			
2:30	<b>Poster Walk</b>			
	<p><b>Thursday posters: Chronic disease management; Sexual and reproductive health; Primary care data</b></p> <ol style="list-style-type: none"> <li>1. General practitioners promoting oral health among patients with CVD: a scoping review – <b>Rishabh Singh</b></li> <li>2. The link between cardiovascular and oral health – <b>Abhinay Subramaniam</b></li> <li>3. General practitioner assessment of lifestyle risk factors for chronic disease: a cross-sectional study in urban, rural, and remote South Australia – <b>Antoinette Liddell</b></li> <li>4. Quality indicators for the detection and management of chronic kidney disease in primary care: an exploratory study using electronic medical record data in Australia – <b>Daniel Petzke</b></li> <li>5. GP registrar use of point-of-care resources for paediatric asthma presentations: frequency, types and trends – <b>Nina Reid</b></li> <li>6. Time to service and outcomes in workers with compensated musculoskeletal conditions: a scoping review – <b>Tesfaye Hambisa Mekonnen</b></li> <li>7. Mastering metabolic syndrome in general practice: exploring opportunities and challenges in rural Western Australia – <b>Aniruddha Sheth</b></li> <li>8. Management plans for endometriosis and chronic pelvic pain in primary care: a scoping review – <b>Maryam Moradi</b></li> <li>9. Parental health beliefs towards topical steroid use in atopic dermatitis management – <b>Christabel Hoe</b></li> <li>10. Barriers towards topical corticosteroid use in paediatric atopic dermatitis: a scoping review – <b>Christabel Hoe</b></li> <li>11. Have interventions aimed at assisting general practitioners in facilitating earlier diagnosis of type 1 diabetes in children been successful? A systematic review – <b>Chiara Beccia</b></li> <li>12. DIRECT T1DM (Decision support for Integrated Real-time Evaluation &amp; Clinical Treatment of Type 1 Diabetes Mellitus): an end-user simulation and optimisation study protocol – <b>Chiara Beccia</b></li> <li>13. GP approaches to management and detection of period pain and pelvic symptoms, as experienced by adolescents – <b>Charne Froneman</b></li> <li>14. Contraceptive choices and decision-making processes of young women in rural and remote New South Wales – <b>Harriet Sandison</b></li> <li>15. Adolescents' experiences of accessing emergency contraception in pharmacy settings: a rapid review – <b>Herrah Naveed</b></li> <li>16. Women's views on medical abortion in the general practice setting: a rapid review – <b>Jarrold Cross</b></li> <li>17. Family medicine trainees' experiences of providing abortion care: a rapid review – <b>Bronwyn McDonald</b></li> <li>18. Australian women's preferences about lifestyle risk reduction engagement during interconception: a qualitative descriptive study – <b>Sharon James</b></li> <li>19. What are the experiences, views, and practices of nurses in providing postpartum maternal reproductive healthcare? A rapid review – <b>Selma Karovic</b></li> <li>20. Clinical indicator prioritisation: a modified nominal group technique approach for primary care research in the electronic age – <b>Andrew Donald</b></li> <li>21. Supporting a linked National Gestational Diabetes Register and general practice system: understanding general practice perspectives to prevent type 2 diabetes after gestational diabetes – <b>Rochelle Sleaby</b></li> <li>22. Monitoring the prevalence of COPD using linked health services data – <b>Tylie Bayliss</b></li> <li>23. External validation of a diagnostic accuracy score for cancer based on unexpected weight loss symptoms in primary care – <b>Alex Lee</b></li> <li>24. Transgender and gender diverse patients in electronic medical records: current practice and recommendations – <b>Riki Lane</b></li> </ol>			

2:45	Meet the Editor: Visit Editor-in-Chief Virginia Lewis in the CSIRO Publishing/Australian Journal of Primary Health booth
3:00	<i>Plenary 2: Models of Care</i> <i>Forum 1 &amp; 2</i>
3:00	Chair: Tim Stokes
3:05	Do patient health outcomes vary across models of general practice in Aotearoa? <b>Prof Nicolette Sheridan</b>
3:45	Roundtable commentary on the plenary presentation <b>Prof Michael Green, A/Prof Liz Sturgiss</b>
4:00	Questions to the panel from the floor
4:30	Close of Day 1
5:00	<b>AGM, Melbourne Connect</b>
From 6:30	<b>Conference Dinner, Melbourne SeaLife Aquarium</b>

Australasian Association for Academic Primary Care 2023 Annual Research Conference THURSDAY 17 August 2023 - FRIDAY 18 August 2023	
Program as at 15 August	
Friday 18 August	
08:00	Registration opens
09:00	<b>Plenary 3: Prize Winners</b> Forum 1 & 2
	<i>Chair: Renee Fiolet</i>
09:00	<b>SAPC Prize (SAPC)</b> <i>Can D-Mannose prevent recurrent UTI? The MERIT (D-Mannose to prEvent Recurrent Urine InfecTions) randomised double blind placebo controlled trial</i> Gail Hayward, University of Oxford
09:15	<b>SAPC Prize (AAAPC)</b> <i>The feasibility and acceptability of implementing a tool to identify and provide management support for people at risk of frailty in general practice</i> Jenny Job, University of Queensland
09:30	<b>NAPCRG Prize (NAPCRG)</b> <i>The prevalence and clinical implications of frailty in middle-aged people with COPD</i> Peter Hanlon, University of Glasgow
09:45	<b>NAPCRG Prize (AAAPC)</b> <i>General practice management of physical and psychological trauma resulting from traffic crashes in Australia: a mixed-methods study</i> Carla Bernardo, University of Adelaide
10:00	<b>EPIC Research Unit Award for the Early Career Researcher Best Paper</b> <i>A user-centred approach for developing a measure for assessing adherence using clinical indicators</i> Karen Nolidin, Monash University
10:15	<b>Morning Tea</b>
10:30	<b>Poster Walk</b>
	<b>Friday Posters: Improving quality and decision-making; Medication management; Access; Partnerships; Training</b> <ol style="list-style-type: none"> <li>Opening the “black box” of clinical decision support systems: describing development and validation of an algorithm to identify people with unexplained weight loss – <b>Lucas De Mendonça</b></li> <li>Integrating a decision support tool into a public mental health website: learnings to date from the Link-me and Head-to-Health (<a href="http://www.headtohealth.gov.au">www.headtohealth.gov.au</a>) project – <b>Steven Savvas</b></li> <li>Diagnosing “Doctor Google”: clinician perspectives on the role of online vaccine information in patient care – <b>Chavy Arora</b></li> </ol>

4. Applying an equity lens to primary care guidelines and policy – **Rowena Ivers**
5. Preventing childhood obesity: views from general practice – **Michelle Gooley**
6. Barriers and facilitators of pharmacogenomic informed prescribing in general practice: preliminary findings of patient and general practitioner perspectives – **Georgia Ramsay**
7. A protocol for the PRESIDE (Pharmacogenomics in depression) trial: a double-blind RCT of pharmacogenomically-informed prescribing of antidepressants on depression outcomes in patients with major depressive disorder in primary care – **Sibel Saya**
8. General practice patients' experiences of an approach to antidepressant deprescribing: a mixed-methods case study realist evaluation – **Amy Coe**
9. RELEASE (REdressing Long-tErM Antidepressant uSE): hybrid type-1 effectiveness-implementation cluster randomized controlled trial in general practice – **Katharine Wallis**
10. GP registrars' antibiotics prescribing in telehealth vs face-to-face consultations for acute respiratory tract infection: analysis from the Registrar Clinical Encounters in Training (ReCEnT) study – **Yu Gao**
11. Inter-practice variability in antibiotic prescribing for acute respiratory tract infections: a cross-sectional study of early-career general practitioners – **Alex Turner**
12. Optimising antimicrobial use in primary care by a novel general practitioner-pharmacist collaborative antimicrobial stewardship model – **Sajal Saha**
13. Feasibility of implementing point-of-care testing program in community pharmacy to improve antimicrobial stewardship in respiratory tract infections: results of a scoping review – **Sajal Saha**
14. Trials to extend the scope of community pharmacy: a scoping review protocol – **Zaynah Ali**
15. The Deep End Living Lab: a qualitative exploration of frontline health workers' perspectives on screening for homelessness in health care settings – **Nilakshi Gunatillaka**
16. Limited English proficiency patients' preferences for communication from general practice: protocol for a qualitative study – **Isabella Papadopoulos**
17. The Queensland Virtual Integrated Practice (VIP) partnership program: supporting rural practice viability and improving access to care – **Jenny Job**
18. Primary care data reports: using population level administrative data to inform policy and planning in Ontario Health Teams – **Michael Green**
19. Evidence informed, Experienced-cased co-design (E2CD): a novel framework placing consumers at the centre of the co-design of services to improve outcomes for people who are high users of healthcare services – **Claire Morley**
20. Electronic shared-care with mental-health services, consumers and GPs: trials and tribulations in a pandemic – **Catherine Spooner**
21. Experiences of recruiting GPs and participants, for a primary care randomised controlled trial in a post-pandemic transition – **Charne Froneman**
22. Bringing community health together: Introducing TROPHI, the Victorian Collaboration for Translating Research Outcomes into the Primary Health Interface – **Grant Russell**
23. Enhancing partnerships with Primary Health Networks for collaborative research – **Simone De Morgan**
24. Establishing a national rural primary care-based clinical trials network – **Kristi Milley**
25. Mentoring mid-career researchers working in cancer in primary care research – **Kristi Milley**
26. Medical educator comfort levels, barriers, and enablers in teaching and learning about inclusive LGBT+ healthcare: a qualitative study – **Shane Delisser**
27. Supporting general practice nurses in providing optimal dementia care: development of a training program specific to their role – **Dimity Pond/Caroline Gibson**
28. Are GP registrars' 'questionable' clinical activities associated with clinical teaching visit performance? – **Amanda Tapley**

10:45	<b>Meet the Editor: Visit Editor-in-Chief Virginia Lewis in the CSIRO Publishing/Australian Journal of Primary Health booth</b>			
11:00	<b>Papers 8: Listening to patient voices</b>	<b>Papers 9: Sexual and reproductive health</b>	<b>Papers 10: Tools and resources for decision-making in primary care</b>	<b>Workshop 2 (60 mins)</b>
	<i>Forum 1</i>	<i>Forum 2</i>	<i>Forum 3</i>	<i>Studio</i>
	<i>Chair: Flora Hui Co-Chair: Kristen Hamilton</i>	<i>Chair: Jianrong Zhang Co-Chair: Georgia Franklin</i>	<i>Chair: Meredith Temple-Smith Co-Chair: Marianne Coleman</i>	Practice Based Research Networks in Australian primary care: roles and direction in 2023
11:00	Experiences of participants in the co-design of a novel community-based health service for people with high healthcare service use <b>Deirdre McGowan</b>	Risk factors and health consequences of experiencing reproductive coercion: a scoping review <b>Susan Saldanha</b>	Barriers and facilitators of implementation of an innovative clinical decision support tool in general practice: a qualitative study <b>Kaleswari Somasundaram</b>	<b>Nigel Stocks</b>
11:12	Barriers and facilitators to colorectal cancer diagnosis in New Zealand: a qualitative study <b>Kimberley Norman</b>	HealthPathways: an evaluation of referral pathways for public abortion in Australia <b>Sonia Srinivasan</b>	Should I Take Aspirin? (SITA) trial results: decision aid increases informed choice on low-dose aspirin for bowel cancer prevention <b>Shakira Onwuka</b>	
11:24	Exploring parental perspectives of antibiotic use to underpin strategy development to reduce antimicrobial resistance <b>Ruby Biezen</b>	Long-acting reversible contraception and medical abortion: a national descriptive survey of Australian practice nurse knowledge, attitudes and practices <b>Sharon James</b>	The Colorectal cancer RISK Prediction (CRISP) trial: a randomised controlled trial of a decision support tool for risk-stratified colorectal cancer screening <b>Sibel Saya</b>	
11:36	Adolescent contraception and abortion information and care in community pharmacy: a systematic review <b>Anisa Assifi</b>	Co-designing a nurse-led model of care to increase access to contraception and medical abortion care <b>Jessica Moulton</b>	Patients' views and experiences of genomic testing for cancer risk prediction: a qualitative sub-study of the SCRIPT trial <b>Sibel Saya</b>	
11:48	Social-media group support for antidepressant deprescribing: a mixed-methods survey of patient experiences <b>Amy Coe</b>	Women's interconception care: a qualitative descriptive study of primary health care nurses' experiences and perceptions <b>Sharon James</b>	Unexpected weight loss and cancer: risk, guidelines, and recommendations for follow-up - a scoping review <b>Javiera Martinez Gutierrez</b>	

12:00	A qualitative meta-analysis of South Asian women's lived experiences of health care after disclosure of family violence <b>Surriya Baloch</b>	Australian women's perceptions of interconception care: a qualitative descriptive study <b>Sharon James</b>	GPs' perception and value of natural history information and their awareness and use of guidelines' resources to support antibiotic prescribing for self-limiting infections: a qualitative study in Australia general practice <b>Kwame Peprah Boaitey</b>	
12:15	<b>Lunch</b>			
12:30	<b>Meet the Editor: Visit Editor-in-Chief Virginia Lewis in the CSIRO Publishing/Australian Journal of Primary Health booth</b>			
1:15	<b>Papers 11: Creating primary care networks</b>	<b>Papers 12: Designing new models of care</b>	<b>Posters 1 (3 mins each)</b>	<b>Workshop 3 (60 mins)</b>
	<i>Forum 1</i>	<i>Forum 2</i>	<i>Forum 3</i>	<i>Studio</i>
	<i>Chair: Jon Emery</i> <i>Co-Chair: Jenna Lyttle</i>	<i>Chair: Katharine Wallis</i> <i>Co-Chair: Kellie West</i>	<i>Chair: Renee Fiolet</i> <i>Co-Chair: Kwame Boaitey</i>	Game-based learning in primary care education: addressing the social determinants of health  <b>Heather Russell</b>
1:15	Building research skills and culture in general practice training: best practice and future priorities <b>Georgia Franklin</b>	Process followed by the Implementing work-related Mental-health guidelines in general Practice (IMPRovE) trial towards planning for sustainability <b>Vera Costa</b>	Establishing a national rural primary care-based clinical trials network <b>Kristi Milley</b>  The Queensland Virtual Integrated Practice (VIP) Partnership Program: supporting rural practice viability and improving access to care <b>Jenny Job</b>  The Deep End Living Lab: a qualitative exploration of frontline health workers' perspectives on screening for homelessness in health care settings <b>Nilakshi Gunatillaka</b>  Supporting general practice nurses in providing optimal dementia care – Development of a training program specific to their role	
1:27	How can Primary Health Networks (PHNs) better engage with general practices? A qualitative study <b>Susan Saldanha</b>	Model of care to better manage chronic pain and other chronic diseases <b>Simone De Morgan</b>		
1:39	Starting from scratch: establishing an equity-focussed Primary Care Research Network <b>Sharon Leitch</b>	Recommendations for an effective preconception counselling service in Indonesian primary care: a scoping review <b>Fitriana Ekawati</b>		
1:51	(Re)-building a PBRN from the ground up <b>Grant Russell</b>	'It overcomes my laziness': results of a qualitative study informed by COM-B model to evaluate a physical activity coaching program for		

		pregnant women in Indonesian primary care <b>Fitriana Ekawati</b>	<b>Dimity Pond/Caroline Gibson</b> Quality indicators for the detection and management of chronic kidney disease in primary care: an exploratory study using electronic medical record data in Australia <b>Daniel Petzke</b> General practice patients' experiences of an approach to antidepressant deprescribing: a mixed-methods case study realist evaluation <b>Amy Coe</b> GP registrars' antibiotics prescribing in telehealth vs face-to-face consultations for acute respiratory tract infection: analysis from the Registrar Clinical Encounters in Training (ReCEnT) study <b>Yu Gao</b> Adolescents' experiences of accessing emergency contraception in pharmacy settings: a rapid review <b>Herrah Naveed</b> Women's views on medical abortion in the general practice setting: a rapid review <b>Jarrold Cross</b> What are the experiences, views, and practices of nurses in providing postpartum maternal reproductive healthcare? A rapid review <b>Selma Karovic</b>	
<b>2:03</b>	Barriers and facilitators to the implementation of a multicomponent general practice quality improvement trial (Flinders QUEST) <b>Richard Reed</b>	A general practice nurse pilot intervention to improve loneliness and social isolation among older people <b>Cristina Thompson</b>		
<b>2:15</b>		Understanding optometrists' perspectives on genetic testing and gene therapy to improve genomics literacy in primary eyecare <b>Alexis Ceecee Britten-jones</b>		

			Australian women's preferences about lifestyle risk reduction engagement during interconception: a qualitative descriptive study <b>Sharon James</b>	
<b>2:30</b>	<b>Afternoon Tea</b>			
<b>3:00</b>	<b>Plenary 4: AAAPC Past Presidents' Panel</b> <i>Forum 1</i>			
	Chair: Tim Stokes			
	Past Presidents' Panel, chaired by Dr Phyllis Lau <ul style="list-style-type: none"> <li>• Prof Grant Russell</li> <li>• Prof Mark Nelson</li> <li>• Prof Nick Zwar</li> <li>• Prof Dimity Pond</li> <li>• Prof Jon Emery</li> <li>• Prof Max Kamien</li> <li>• Prof Kirsty Douglas</li> </ul>			
<b>4:15</b>	Prizes			
<b>4:30</b>	Close of Day 2
