We are proud of our growing community and the collegial culture of supporting emerging research. • Thank you to all delegates who have submitted an abstract, acted as a reviewer, will be a conference chair, helped award a prize and participated in the virtual conference.
Please highlight future plans and/or issues of concerns (dot points)	<ul style="list-style-type: none"> • Thank you the AAAPC executive, the sub-committee and wider network for supporting me in this role over the past year. I am looking forward to working with the new chair and all that is in store for ARC 2022.
